Supplement Waiver

The undersigned teacher, by his or her signature, indicates a willingness to give up his or her planning period during the time specified for the following purposes:

1. Conducting instruction
2. Providing remediation either in a class or individual setting
3. Working in a defined, short-term co-teach situation as directed by the building principal.

This work assignment is freely undertaken by the undersigned teacher (is entirely optional for the teacher). No administrative pressure or coercion to comply has been a factor in soliciting participation.

The undersigned further understands that he/she is to receive either a supplement in the amount of \$ 2700 for giving up an entire period everyday for a semester or a period for the entire year. Lesser or greater amounts of money are possible, as indicated in the actual Waiver Agreement and below.
