Dear Parent:

Your child may be eligible to receive **free tutoring** through the Supplemental Educational Services (SES) program. Students who are eligible for free or reduced price lunch and who attend Bunnell Elementary are eligible for these services. Although Bunnell Elementary made a school grade of "A" and met 97% of the Adequate Yearly Progress (AYP) criteria, it is identified as a School in Restructuring. Proficiency standards were not met for students with disabilities in reading.

The district will give priority to the lowest performing students if there is not enough funding to provide free tutoring services to all eligible students whose parents request the services.

Please choose a provider for your child from the attached list of approved providers. To help you make an informed choice, we have enclosed a chart with questions to ask providers, called "Choosing an SES Provider."

Also please attend our scheduled Parent Provider Information Fair to be held at Bunnell Elementary School on September 16, 2009. You can meet with providers and talk about the program that may best meet your child's needs. If you are unable to attend this informational meeting, contact your child's school counselor or the Title I office.

Please complete the attached application form, Flagler County Public Schools Request for Supplemental Educational Services, with the providers you select in the order of your preference. The district will try to assign your child to your first choice. If the first choice is not available, your child will be assigned to your second or third choice. You must return the Flagler County Public Schools Request for Supplemental Educational Services on or before September 16, 2009 at 4:00 p.m. to one of the following locations:

- Your child's school guidance office
- SES Provider Fair
- The Title I office located at 1769 E. Moody Boulevard, Bunnell, or
- Mail to: Flagler County Public Schools, Title I  
P.O. Box 755  
Bunnell, FL 32110

Tutoring will start by October 15, 2009. If you have questions or need additional information, please contact Diane Demetriades in the Title I/SES Office at 437-7526 ext. 3123.

Sincerely,

Mr. Bill Delbrugge  
District School Superintendent

I understand that:

- My child must regularly attend the program. If he/she is absent more than 3 times, my child may no longer be able to be tutored in this program.
- I must provide my own transportation to and from tutoring program. Student pick up must be on time.
- I am required to attend a meeting with a provider representative and the school's representative to establish goals for my child before tutoring service can begin.
- I will contact the Title I office if I want my child assigned to a different provider because the terms of the Student Learning Plan are not being met.
- The district will pay up to \$981.00 for this school year for the services I have selected.
- The school will give the provider I choose my child's information which includes telephone numbers, address and academic information.
