Federal public law 107-110, section 9528 of the ESEA, “No Child Left Behind Act” requires school districts to release student names, addresses, and phone numbers to military recruiters upon their request. Students are then contacted at home by the recruiters. The law also requires the school district to notify you of your right to Opt-Out from this by requesting that the district no release your information to military recruiters. The completion and return of this form serves as your request to withhold your private information.

As a student you have the right to request that your private information is not released to military recruiters and others. Complete this Opt-Out form and give it to your Guidance Department.

\_\_\_\_\_ I request that this student’s name, address, and telephone number **not** be released to Armed Forces and Military Recruiters, or Military Schools.

I understand that this will remain in effect until I revoke this option by notifying Flagler County Public Schools in writing of my decision.
