Rubric:

	Excellent	Good	Poor	Unacceptable
Composition is carefully planned and creates interesting positive and negative shapes. The rule of 2/3rds is followed or creative risks are taken with intention not on accident.				
Value is used to create the illusion of form and contrast is used to improve overall presentation.				
Color theory is used to create warms and cools in the shadows and highlights and color is used for shading instead of just black and white. Color is used to create depth and a variety of color is used in the painting.				
Accuracy is present in the artwork and it closely resembles the subject. Three-dimensional realism is evident.				
Craftsmanship is used to create a piece that is ready for presentation. Tools and materials were used skillfully to illustrate the artist's intention.
