Flagler County School District  
Post Office Box 755  
Bunnell, Florida 32110

Dear Mr. Tager:

Re: Truth in Millage (TRIM) Certification

The Department of Revenue has reviewed the millage certification documents that your taxing authority submitted and has determined that they meet the certification requirements of sections 200.065 and 200.068, Florida Statutes. The Department has found no violation of the requirements of section 200.065, Florida Statutes, and accepts your certification.

Sincerely,

Dr. Maurice M. Gogarty, Director  
Property Tax Oversight Program
