Dear Superintendent Tager:

Rule 6A-1.0071(3), Florida Administrative Code, requires the annual financial report and all official parts thereof to be submitted to the Commissioner of Education no later than September 11 of each year. The annual financial report is composed of the following reports: Forms ESE 348 - Report of Financial Data to the Commissioner of Education, which includes the program cost report; ESE 145 - Superintendent's Annual Financial Report; and, if applicable, ESE 374 - Schedule of Maturities of Indebtedness and ESE 523 - Information Concerning Authorized Obligations Under Sections 1011.14 and 1011.15, Florida Statutes. Your district requested an extension under the provisions of section (4) of this rule. An extension was granted for the annual financial report and the program cost report until September 22, 2017.

This is to acknowledge receipt of the annual financial report, including Forms ESE 348 and ESE 145, which was submitted to us on September 20, 2017, and the program cost report, which was electronically transmitted on September 21, 2017. All updates and corrections made prior to the date of this letter are included in the finance database.

Sincerely,

A handwritten signature in cursive script that reads "Mark Eggers".
