RE: Truth in Millage (TRIM) Certification

Dear Mr. Tager:

The Department of Revenue has reviewed the millage certification documents that your taxing authority submitted and has determined that the certification requirements of sections 200.065 and 200.068, Florida Statutes, have been met. The Department has found no violation of the requirements of section 200.065, Florida Statutes, and accepts the certification.

Sincerely,
