

Flagler County School District
Aviso anual de servicios educativos suplementarios
para escuelas del Título I

Escuela: Bunnell Elementary Fecha: 08/05/2011

Estimado padre/madre o apoderado:

Nuestra escuela está calificada para recibir fondos adicionales del gobierno federal. Estos fondos son para el programa conocido como Título I (en inglés, Title I) bajo la ley sobre igualdad de oportunidades educativas del año 2001 *No Child Left Behind*. Por ello le enviaremos información importante sobre el programa y la educación de su hijo/a a lo largo de todo el año escolar.

Todas las escuelas que reciben fondos del Título I deben demostrar que los alumnos mejoran sus resultados en las pruebas estatales. Esto se conoce como "progreso anual adecuado," o *AYP*. Si la escuela no logra un progreso anual adecuado durante tres años consecutivos, se les debe notificar de ello a los padres. Además, el distrito debe proporcionar ayuda adicional a alumnos calificados si los padres lo solicitan. Esta ayuda académica o instrucción adicional se conoce como "servicios educativos suplementarios".

Puede que su hijo/a cumpla con los requisitos para recibir servicios suplementarios. Estos servicios se proporcionarán antes o después de clases en forma gratuita. Las organizaciones que proporcionan esta ayuda adicional se denominan "proveedores". Encontrará adjunta una lista de los proveedores que han sido aprobados por el estado y que están situados razonablemente cerca de la escuela, o bien se puede acceder a ellos por medios tecnológicos. El distrito o la escuela le avisará si su hijo/a cumple con los requisitos para recibir servicios suplementarios y, si usted lo solicita, le ayudará a seleccionar un proveedor de la lista aprobada.

Si el distrito no puede proporcionar ayuda adicional a todas las personas que la soliciten, se utilizará un *proceso justo y equitativo* para garantizar que los alumnos provenientes de familias de bajos ingresos reciban estos servicios en primer lugar. La participación en el programa de servicio suplementario es confidencial.

Lo incentivamos a que se comunique con nosotros lo antes posible si tiene preguntas sobre este aviso o sobre la calificación de su hijo/a para participar. Puede llamar a Diane Demetriades (*name*) al 386-437-7526 ext. 3123 (*phone*).

Atentamente,

Tammy Yorke

Flagler County School District
Annual Notice of Supplemental Educational Services
for Title I Schools

School: Bunnell Elementary Date: 08/05/2011

Dear Parent or Guardian:

Our school qualifies to receive additional funding from the federal government. These funds are for a program known as Title I under the *No Child Left Behind Act of 2001*. Because of this, we will be sending you important information about the program and your child's education throughout the school year.

All schools that receive Title I funds must show that students are improving in their test scores on statewide assessments. This is called making "Adequate Yearly Progress," or *AYP*. If a school does not make Adequate Yearly Progress for three consecutive years, parents must be notified. In addition, the district must make available additional help for eligible students upon parent request. This additional academic help or tutoring is called "supplemental educational services".

Your child may be eligible for supplemental services. These services will be provided before or after school at no cost to you. The organizations that provide this extra help are called "providers". Attached is a list of providers that have been approved by the state and are reasonably close to the school or accessible through technology. If your child becomes eligible for supplemental services, the district or school will notify you and if requested, help you select a provider from the approved list.

If the district is not able to provide extra help for everyone who requests it, a *fair and equitable process* will be used to make sure that students in greatest need from low-income families receive services first. Participation in a supplemental service program is kept confidential.

We encourage you to contact us as soon as possible if you have any questions regarding this notice or your child's eligibility to participate. You may call Diane Demetriades (*name*) at 386-437-7526 ext. 3123 (*phone*).

Sincerely,

Tammy Yorke

Dear Parent:

Your child's school receives federal Title I funds to assist students in meeting state achievement standards. Bunnell Elementary has not met these standards for eight consecutive years (2004-2011). Your child may be eligible to receive free tutoring through the Supplemental Educational Services (SES) program for the 2011-2012 school year.

How did my child qualify?

Students who are eligible for free or reduced-price lunch and attend Title I schools that failed to make Adequate Yearly Progress (AYP) for two or more consecutive years are eligible for these services.

What is Supplemental Educational Services?

SES is a federal program under the Elementary and Secondary Education Act, reauthorized as No Child Left Behind (NCLB) that offers free tutoring to eligible students.

Tutoring is offered in reading/language arts, mathematics, or science. This tutoring takes place outside of the regular school day by state-approved SES providers. After you learn more about each of the providers, please choose the provider that can best meet the needs of your child. Tutoring will start by October 15, 2011.

How do I apply?

First choose a provider for your child from the attached list of approved providers. To help you choose, we have enclosed a chart with questions to ask providers, called "Choosing an SES Provider."

Then, complete the attached application form and list the providers in the order of your preference. We will try to assign your child to your first choice. If your first choice is not available, your child will be assigned to your second or third choice.

You must return the Flagler County Public Schools Request for Supplemental Educational Services on or before September 9, 2011 at 4:00 p.m. to one of the following locations:

- Your child's school guidance office
- SES Provider Fair
- The Title I office located at 1769 E. Moody Boulevard, Bldg. 2, Bunnell, or
- Mail to: Flagler County Public Schools, Title I
P.O. Box 755
Bunnell, FL 32110

The LEA will give priority to the lowest achieving of the low-income students if there are not enough funds to offer services to all eligible students whose parents request the services.

Raising Student Achievement Every Day, Every Way

How can I learn more?

Please come to one of our scheduled Provider Information Fairs to be held at Bunnell Elementary on September 1, 2011 from 4:30 p.m. – 6:30 p.m. You can meet with providers and talk about the program that may best meet your child's needs. You can also find more information about SES on our Web site at: <http://www.flaglerschools.com/content/supplemental-educational-services-ses>.

If you have questions or need additional information, please contact Diane Demetriades at (386) 437-7526 ext. 3123.

Sincerely,

Janet Valentine
District School Superintendent
