

Date: November 30th

Time: 6:30-8:30pm

\$35.00 per person

Painting with a Twist will be hosting this fund raiser to support Grace Community Food Pantry. We will be raising funds to help get food on the tables of families that live in Flagler County. The Pantry helps those in need with food every weekend and they also have a Fed By Grace Backpack Program which works alone with Flagler County Schools to get food to students in need every weekend during school. Please come out and be part of this great event to help others, And have a fun time doing it. Half of the proceeds that are raised will go to the pantry and the back-pack program.
