

Insurance Professionals of Volusia/Flagler Counties
324 W. Int'l. Speedway Blvd.
Daytona Beach, FL 32114-4289

The Insurance Professionals of Volusia/Flagler Counties is a local professional organization affiliated with the National Association of Insurance Women, International (NAIW). Our local organization has members throughout Volusia and Flagler Counties. We are a not for profit organization that focuses on continuing education. We do this by promoting and sponsoring continuing education classes in our community for the insurance industry.

Our organization also promotes continuing education for students pursuing a higher education. We do this by sponsoring scholarships each year. This year our focus is on helping high school seniors fund their goal of attending a college or university in the State of Florida. There will be one \$500.00 Scholarship to be awarded to a student in a Volusia/Flagler High School this year.

We are able to provide these scholarships each year through the many fundraisers we have. The local community and the insurance community participate in our fundraisers to help us achieve the financial goal we need to run our organization and provide these scholarships.

This scholarship is for students wishing to pursue a career in the school of business. We hope that each student would contemplate returning to this community and contributing their strength and knowledge to the area that helped them achieve their goals.

Sincerely,

Diane M. Dunn ACSR, CPIW
