REPORTS TO: Director of Information

JOB GOAL

To guide the systematic planning for educational technology services that allow decision makers, at all levels, with data which is accurate, timely, and related to the operational and instructional improvement needs of the District, to function effectively.

SUPERVISES: District MIS Support Specialist, MIS Support Specialist, MIS Data Entry Clerk, Registrars

PERFORMANCE RESPONSIBILITIES:

- * (1) Ensure that the School District is able to meet the State database requirements in student, staff, and financial data.
- * (2) Supervise the data processing department and make appropriate recommendations concerning staff, software and hardware concerns.
- * (3) Provide direction and administration in preparation of the Florida Education Finance Program (FEFP) reports.
- * (4) Direct and coordinate short- and long-range planning for Management Information Services in conjunction with NEFEC.
- * (5) Provide a system of reporting specified information needed for instruction, administrative, planning, and public relations purposes.
- * (6) Supervise the District's Management Information System to ensure appropriate usage and optimal efficiency.
- * (7) Provide services and implement necessary programs to meet organizational needs.
- * (8) Coordinate the information system with all other functions of the school system.
- (9) Maintain contact with other school districts and professional management associations for the exchange of information and the development of new ideas and methods to improve the efficiency and effectiveness of the District's information system.

DIRECTOR, MANAGEMENT INFORMATION SYSTEMS (Continued)

- *(10) Evaluate educational, managerial, and administrative operation systems and plan and recommend information systems designed to improve the operational efficiency of the school system.
- (11) Provide liaison with local, State and federal educational and government units to improve the compatibility of the School District's information system with corresponding systems of other units.
- (12) Act as forms controller and serve on various committees of data users and providers in order to coordinate the identification of data elements and forms used for all necessary reporting.
- (13) Provide data for collective bargaining negotiations.
- *(14) Provide oversight for efficient and secure computer systems and services to meet organizational needs.
- (15) Assist in the development of administrative guidelines and policies for assigned areas of responsibility.
- *(16) Prepare all required reports and maintain all appropriate records.
- *(17) Develop, recommend and administer the Management Information System's budget.
- (18) Represent Flagler County at the School District's Council on Comprehensive Management Information Systems meetings.
- *(19) Supervise the destruction and retention of District records.
- *(20) Use effective, positive interpersonal communication skills.
- (21) Perform other incidental tasks consistent with the goals and objectives of this position.
