### **Notice on Attendance Policy for the Dates of February 16-26, 2010**

Students who have been absent due to the virus any dates during this time window may have those dates excused by bringing in a note signed by the parent/guardian which states the student was absent due to the virus.

The note should be presented to the school no later than Friday, March 5, 2010 in order to take advantage of this opportunity.

This temporary policy allowed students to stay home as needed during the time our community was experiencing the Norovirus and its effects.

As of today, student absence numbers and nursing statistics reflect normal/expected activity at the schools.

As of Monday, March 1, 2010, the regular attendance policy will be in effect. Questions should be directed to the attendance clerk at each school.
