Please utilize as close as possible the following criteria for your selection process. Since the selection pool is a relatively small group we understand not all of the criteria may be met.

We will sponsor one \$500 scholarship for each high school (Flagler Palm Coast High and Matanzas High) to be awarded to a senior at each school utilizing the following criteria:

- Recipient must have participated at least one year in the golf program of that school (but not necessarily the current school year).
- To be eligible for consideration a student must have a letter of recommendation from that school's golf coach.
- He or she must also submit a written letter to the Golf Group requesting consideration based upon his or her academic and community merits.
- Students receiving the scholarship must be enrolling in higher education upon graduation (but not necessarily golf related or a university program).
- The student should also have a demonstrated need for financial assistance.
