BEST PRACTICES

Include a description of the parent and family engagement activity or strategy implemented the previous year that was most effective including content/purpose and a description of the activity and data to support, if applicable.

For engaging families for feedback, sending skyward emails yielded the best results in getting feedback from parents. We also had a stronger use of social networks such as Facebook and Twitter for parents to engage in RES events.

DEFINITION OF FAMILY ENGAGEMENT

What is your school's definition of Family Engagement?

We will create an environment where our families feel welcome, participate in their student's day to day learning and understand that they have a voice in the decisions made to impact their students' achievement.

FAMILY ENGAGEMENT MISSION STATEMENT

- The parent and family engagement plan is a shared responsibility.
- The parent and family engagement plan will assist in providing high quality instruction for all learners.

The Rymfire Elementary Mission is aligned with the Flagler School District's Mission statement to strive to be the nation's premier learning organization. To accomplish this, all stakeholders work as a team to develop the whole child through successful school experiences in an environment of mutual respect and personal growth.

Rymfire Elementary School's goal as it relates to parent involvement, is to ensure that all parents are involved as partners to ensure the academic success of all students. Due to COVID-19, Coronavirus, Rymfire will send out parent surveys for feedback on the Parent and Family Engagement plan. The plan expenditures and purposes from last

year will be shared and parents will have an opportunity to advise on different involvement events that Rymfire could consider adding. The School Leadership Team will review the parental and community input to develop and finalize the Parent and Family Engagement Plan for the 2020-21 school year. All members of this team will be allowed to express their ideas and plans on how to provide high quality instruction for all learners as well as involve both parents and community leaders as part of this instruction. Members of the leadership team will discuss high yield strategies from the 2019-20 school year that are already in place to incorporate in the PFEP events for the 2021 school year.
